## The realistic look of natural coverings... with the real benefits of practical, modern materials.

Now it's easy to make your home look smart and stylish... with Plastivan coverings for floors, walls and ceilings.

Plastivan is designed for you and your lifestyle. It offers you all the natural good looks of textiles, patterns, stone finishes and wood – but with all the practical benefits of easy-fit, easy-clean high quality modern materials.

Choose Plastivan and you've got it covered.

### What is Plastivan?

Plastivan Coverings are tough and durable, smart looking, easy to fit UPVC panels in a huge range of styles and sizes. They can be installed quickly and simply, cut to any shape and there's a wide choice of finishing trims and covings to complete the job in no time at all.

### We've got it all covered...

- Fantastic choice of colours, styles and finishes
- Perfect for every room - kitchens, lounges, bathrooms, bedrooms, playrooms, studies, offices and work rooms
- Personalise your own look with our range of finishing trims and inserts
- Instantly transforms any room to suit your lifestyle and taste
- Change the look as often as you like
- Easy to fit on existing walls, floors and ceilings
- Covers existing imperfections to create a smart, smooth finish
- Wipe clean with nothing more than hot soapy water and a sponge
- Long lasting and durable
- Designed to deal with the knocks and bumps of everyday family life

Walls: Woodgrains (Black Ash),  
Woodgrains (White Ash).  
Ceiling: TopDÉcor. Floor: Classic Oak.

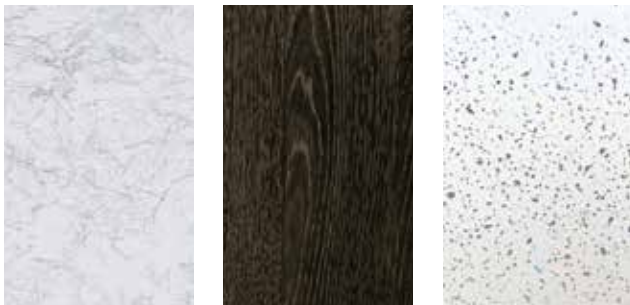

Walls: Black Sparkle. Floor: Light Grey Oak.

Walls: Subtle Grey Marble. Floor: Dark Grey Oak.

## REAL STYLE

From classic marble, contemporary sparkle effects through to high gloss and classic Travertine tile finishes our coverings provide you with all the designer style you're looking for. And there's a fantastic choice of finishes, so you can create any mood or look to suit the room and your personal taste.

**Fantastic choice of finishes**

## REAL QUALITY

Plastivan coverings are manufactured to the highest standards with fire resistant properties, to Class 1 fire certification. They're designed to be used in a wide range of temperatures, from -20°C through to +60°C and all supported by a 10 year guarantee against crazing or fading due to U.V. light

Wall Top: Interio Quartz. Wall Bottom: Interio Arabica.

Floor: Dark Brown Oak.

## REAL EASY

Easy to fit, easy to clean, easy to maintain. Plastivan coverings will cover any slight imperfections on wall and ceiling surfaces, which do not need to be completely flat. Panels can be attached using glue or silicone directly to the surface, or you can staple, nail or screw them onto wooden battens. All our coverings are water repellent with easy clean, wipe free surfaces to keep them looking great.

### Guide to features

- 10  
YEAR 10 year guarantee

## The complete wet space solution

The perfect wall panel solution for any bathroom, shower or wetroom – smart looking, easy to install and easy to clean, Cascade™ Shower Panels provide a flush waterproof and moisture resistant surface for new or existing walls – and can be fixed to all sorts of surfaces. Their high gloss, water repellent surfaces offer additional insulation and sound proofing qualities and can be fitted over existing tiles with no grouting.

The extra wide panels fit together easily\* and are available in a range of colours with a range of finishing trims – all backed with a 10 year guarantee. Ideal for wet spaces in residential, commercial, school and work premises.

\*See website for fitting instructions

[cascadeshowerpanels.co.uk](http://cascadeshowerpanels.co.uk)

## Technical Information:

- Width: 1m, Height: 2.4m, Thickness: 10mm
- Light and easy to handle
- Waterproof, rot proof, hygienic
- Use product between -20°C and +60°C
- Only a low tack masking tape may be used during installation and removed immediately afterwards
- Simple to cut using a fine toothed saw
- Edging and finishing trims available
- Wide range of colours

## 10 Year Guarantee

For internal use only. When installed and maintained as per our instructions the product is covered by a 10 year guarantee against crazing or fading due to UV light.

## Care & Maintenance

Cascade™ Shower Panels are hygienic and easier to maintain than tiles, with none of the grouting that discolours over time. To keep panels looking as good as new, simply wipe down with hot soapy water and a soft cloth. Abrasive cleaners must not be used.

Dry back VL4   3,34 m<sup>2</sup>

## Light Oak

VL1LO-1244

The soft and light tone of natural oak perfectly complements many décor styles. Subtle wood grain looks create a sense of fresh open space and peace, making Light Oak the perfect choice for contemporary living.

## Traditional Oak

VL1TO-1244

Slightly more unpolished in appearance than Light Oak, the pronounced grain of Traditional Oak creates a traditional rural style that perfectly complements natural materials to deliver a comfortable, homely look.

## Classic Oak

VL1CO-1244

The timeless look and quality of solid oak floorboards is perfectly captured by our Classic Oak design, with its perfectly reproduced colour and grain. The ideal complement to vintage furnishings and rugs – with anti-allergic benefits making it ideal for bedrooms too.

## Dark Brown Oak

VL1DBO-1244

The deep warm tones and distinguished grain of Dark Brown Oak creates a wonderfully homely feeling around the home. Perfect for a décor which features antique or colonial style – or for creating a stylish contrast with contemporary looks.

### Reclaimed Grey Oak

VL1RGO-1244

Now you can combine the retro charm of weathered recycled floorboards with all the benefits of an easily maintained surface. Ideal for rooms with lots of space and light, Reclaimed Grey Oak works superbly with both country and 'industrial' styling.

### Light Grey Oak

VL1LGO-1244

Light Grey Oak is an absolute classic look – with its faded grey tones and soft grain blending in with any and every style of décor, from soft, subtle and sophisticated to bright, breezy and colourful. Perfect for creating a sense of light and space.

### Dark Grey Oak

VL1DGO-1244

Minimalist yet warm, modern but with a traditional tone, Dark Grey Oak flooring is a great way to bring out the best in designer furnishings and textiles, especially in larger living spaces where the emphasis is on style.

## Beige Tile

VL2BG-607

The real stone effect of our Beige Tile design forms the perfect base for any look, with its neutral beige complementing contemporary or classic styling in the bathroom, where its soft feel and nonslip, watertight qualities make it great to walk on barefoot.

## Light Grey Tile

VL2LG-607

Looking for the ideal kitchen flooring solution? Light Grey Tile combines smart looks with the practical benefits of being easy to maintain and clean whatever life (and the children!) may throw at it. A great choice for busy modern lives.

## Dark Grey Tile

VL2DG-607

The essential basis for that on trend 'country kitchen' look – our Dark Grey Tile flooring complements stone or wooden worktops, vintage stoves and sinks, crafted and painted kitchen furniture. Great for shower cabins too.

Wall: Pergamon. Ceiling: Embedded.

## General information for panels and cladding

**Maintenance:** Use normal cleaning agents i.e. hot soapy water and a soft cloth or sponge. Solvents are not recommended, neither should aggressive cleaning agents be used.

**Performance:** Plastivan Decor is for internal use only, when installed and maintained as per our instructions, the product is covered by a 10 year guarantee against crazing or fading due to U.V light. Only a low tack masking tape may be used during installation and must be removed immediately afterwards.

**Preparation:** During the course of manufacture some variation in shade or pattern can occur. Sufficient panels for the area to be covered should be obtained in one consignment, all of the same production date (found on reverse of boards) to ensure a supply of compatible shades.

Please ensure that the builder or installer is aware of this information as no liability can be accepted once panels have been fitted.

**Fitting instructions available on websites below.**
